**Important:** This document is entirely fictional and is intended only for testing PDF extraction, table extraction, embeddings, retrieval and question-answering systems. Names, PAN, TAN, employee ID, salary figures and tax figures are fabricated. It is not Form 16 issued by an employer or the Income Tax Department.

Suggested RAG test questions: What is Rahul's gross salary? What is his basic salary? How much HRA was exempt? What was the employee PF contribution? What was the taxable income? How much TDS was deducted? What is the Assessment Year? What is the employer's TAN?
